## 2 Minute Music Theory

### 2.1

*Honesty is the first chapter in the book of wisdom.*

*Thomas Jefferson*

Notes on the staff not only have a specific pitch, but also a specific length of sound. There are different values for each different kind of note. Below is a chart of the notes and the relative duration of each.

It takes 2 half notes to = 1 whole note  
It takes two quarter notes to = 1 half note  
It takes two eighth notes to = 1 quarter note

Answer the following questions:

How many eighth notes = 1 half note? 4

How many eighth notes = 1 whole note? 8

Which note is the shortest in duration? eighth note

Which is the longest in duration? Whole note

How many quarter notes = 2 half notes? 4
