

**2 Minute Music Theory  
Unit 3 TEST**

*Fill in the blanks with the correct answers. One point for each answer, count or barline.*

1. Write the definition of bar line. divides the staff into measures

2. Write the definition of measure. The space between two bar lines

**4** 4 how many beats in a measure  
**4** quarter what kind of note gets one beat

**6** 6 how many beats in a measure  
**8** eighth what kind of note gets one beat

- In the example below write the counts under each note.
- Then place bar lines to mark the correct number of beats for each measure according to the time signature.

Count the rhythms below by writing the counts under the notes and rests.

Write note or rests to match the counts in each measure below. *Answers will vary.*
